A two day workshop on Employability Enhancement,a unique skill development program was organized at GHIMR on 30th & 31st October 2015 for Sem I and Sem III Students. The workshop was on “Personality Enhancement and Aptitude Skill Development” for MBA students in making their dreams a reality. These types of workshops are regularly been organized at GHIMR for ornamenting student’s individual excellence. The Workshop focused on transformation by transferring knowledge by creating awareness. The aim of the workshop was to make the students employable. The application of knowledge builds confidence & improves analytical ability, and the workshop delivered the same to the students all two days. The Workshop was organized under the guidance of Dr. T. Kalyani, Director, GHIMR and coordinated by Prof. Arvind Khadse. The inaugural program was graced by the presence of Shri. Anil Sharma, (Secretary – Jaidurga Bahu-uddeshiya Jankalyan Sanstha), and who welcomed the trainer Mr. Swapnil Bende with Tulsi Sapling. The Workshop was inaugurated by the hands of Shri Anil Sharma and declared the workshop open.

**Day 1:**

For many people today, a career for life is no longer an option. Most people will hold jobs with a variety of employers and move across different employment sectors through their working life. It is need to be flexible in working patterns and be prepared to change jobs and/or sectors if it is believed that there are better opportunities elsewhere. In order to be flexible it is need a set of transferable skills
– skills that are not specific to one particular career path but are generic across all employment sectors and keeping all this in a view the day 1 schedule included the following:

- Leadership skills & Team Building
- Communication skills
- Goal setting
- Corporate culture
- Presentation skills
- Time Management

Day 1 concluded with the student’s participation in various activities and role play.
Day 2

Employers are often looking for skills that go beyond qualifications and experience. While education and experience may make eligible to apply for a job, to be successful in the role it is needed to exhibit a mix of skills: ‘employability skills’. This means that the specialist, technical skills associated with different roles may be less important than the 'soft skills' that can be transferred between different jobs and different employment sectors. Day 2 workshop aims at developing employability skills among students. Communication skills, interpersonal skills, developing Aptitude, Writing skills, tips to crack Group discussions and Personal interviews and also included the following:

- Grooming and dress code
- Table and dining etiquettes
- Resume building activity & Group Discussion
- Interview techniques
- Success mantras & secrets
- Facing interview
- Aptitude Skills
- Mock Interview & GD.
Day 2 concluded with the student’s participation in mock group discussion and personal interview. The vote of thanks presented by Miss. Shivani Baghel, a Student of MBA Sem III.
