National Workshop on Research Methodology

Green Heaven Institute of Management and Research, Nagpur, in association with Department of Commerce, RTM Nagpur University organized National Workshop on Research Methodology from 22nd February to 28th February 2015. The aim of the workshop was to strengthen the research orientation among Faculty Members and to prepare the PhD scholars for the challenges they have to face during their research process.

The workshop was held in the premises of Department of Business Management, RTM Nagpur University, Near Law College, Amravati Road, Nagpur. The workshop comprehensively covered the research process, beginning from the basics of research to the use of latest analytical tools like MS Excel and SPSS. The workshop also covered theoretical as well as practical aspects of the research.

Dr T. Kalyani, Director of Green Heaven Institute of Management and Research, Nagpur was Coordinator of the workshop and informs the subtopics to be taken during the workshop. They are, Basics of Research and Research Design, Literature Review, Basic Statistics and Sampling Techniques, Questionnaire Designing, Hypothesis Testing, Data Analysis through Excel, Hypothesis Testing with SPSS, and Interpretation of Results and Report Writing.

The workshop proved beneficial for all those interested in research and specifically to the PhD Scholars.

Few Glimpses of the event:
