An industrial visit to Abhijeet MADC Nagpur Pvt. Ltd. was scheduled on 5th April 2013 for 40 students of MBA Semester II. The bus departed at 9.30 am and reached the Industry at 10.45 am. After completing the entry level formalities, students were taken directly to the conference room, where Mr. Prashant, HR Manager, welcomed the students and briefed the students about the company. He answered many queries of the students and was also happy with the updated knowledge of the students. This interaction continued till 1 p.m. After that, Safety Manager of the company explained the importance of safety in the organization. He also guided the students about the safety precautions to be taken during the visit. Later the students had an interaction with the Operations engineer, he very well explained the process of generation of electricity in the plant. This interaction continued till 1.45 pm and visit to plant started at 1.50 pm after dividing the students in two batch of 20 each. The visit continued till 2.30. All the students and faculty members returned to college at 3.30 pm.
