GHIMR Team

From the Director's Desk.....

It is indeed a pleasure to fix another quill in the record stack of GHIMR. Presenting the Annual Activity Report for the year 2015-2016 from this chaired desk is fortunate enough to count more milestones reached in our path.

"The more we grow, more are the challenges faced and more are the opportunities waiting on our path". Year by year, GHIMR is growing and having a glance at the last two years, we have added more feathers in our cap.

Achieving CSR Award 2016 has surely glorified this year and inspired us to perform our maximum with all our zeal and energy. With fully power packed "on the toes" session 2015-2016, we made it possible for our biggest events Encore, SIP Fair and Open Campus 2016.

The session had variety of new events well planned and executed to outreach every stakeholder of the Institute. We have continued with our commitment to provide the quality education and career opportunities to our budding managers. There were certainly new challenges and few changes in the executive team which have been successfully coped up with.

GHIMR is heading towards its mission with enlarged wings and courage to fly high in this competitive environment. Extending our deep gratitude to the management, my desk and its entire team ensures to remain abided towards Institutional goals. May we are blessed with the same spirit, motivation and "Let's Do It" attitude.

Yours Sincerely,

Dr. T. Kalyani
