on
"Prospective Effects of Demonetization and its Relevance in Economic Development"**

To get a better understanding of the subject, a guest lecture on the topic “**Prospective Effects of Demonetization and its Relevance in Economic Development**” was conducted on 22nd September 2017 for the students of Sem I & III at **Green Heaven Institute of Management and Research, Nagpur**. The **Guest Speaker, Dr. Kailash Kadu, Professor and Dean Academics, Central Institute of Business Management Research and Development, Nagpur** cited case studies and live examples to give valuable insights on the subject. Students were explained the concept of demonetization and its impact on the Indian Economy. Speaking about the concept of multiplier, Dr. Kadu emphasised upon the need of spending. He further added that this should lead to finding ways to increase income. Encouraging students to earn while learning, several business opportunities were suggested to the students. This way students can contribute towards economic development of the country. The session was an interactive one where several queries were raised by students to be clarified by the guest speaker. Shri Anil Sharma, Secretary, Jai Durga Bahu-uddheshiya Jan Kalyan Sanstha appreciated the session and wished to arrange such fruitful sessions in future too. The program was coordinated by Prof. Rajani Kumar.
