

Green Heaven Institute of Management and Research, Nagpur

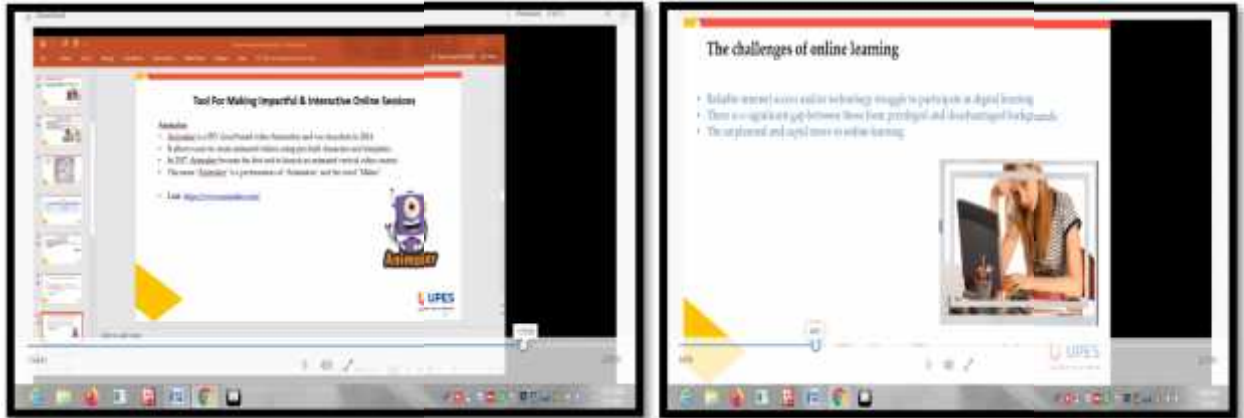

2 Day National level Faculty Development Program on “E-Learning and ICT Tools for Effective Teaching and Learning”

Covid-19 has resulted in all the Educational Institutions shut all across the world, as a result education has changed dramatically, giving rise to e-learning or online teaching posing various challenges and opportunities to the Teaching Fraternity. Considering this **A 2 Day National level Faculty Development Program on “E-Learning and ICT Tools for Effective Teaching and Learning”**. was organised by **Green Heaven Institute of Management and Research, Sponsored by Bajaj Steel Industries Ltd., Nagpur** The Resource persons for the FDP were **Dr. Dr. Raaju G. Sunder, Professor, University of Petroleum and Energy Studies, Dehradun, Uttarakhand** and **Dr. Meheraz Haque Assistant Professor, Amity School of Communication, Amity University Madhya Pradesh, Gwalior**. FDP got an overwhelming response from all across the country, with 200+ Participants, attended session on both the days.

Day-I

On the first day the resource person was **Dr. Raaju G. Sunder, Professor, University of Petroleum and Energy Studies, Dehradun, Uttarakhand**. He elaborated the topic **“Impactful Online Teaching and Student Engagement Techniques”**. In his 2 hours of session, he took the participants to various Open Education Resources, which can help them making their online teaching more effective. He also shown various websites, which can help the participants to get various multimedia objects to be included in the PPTs and other modes of e-learning to make them more interesting. He also demonstrated various tools which are available free on web can be used by teaching fraternity to engage students during online learning.

Day-II

Topic dealt on second day was “**How to make E-Learning more Intimate, Engaging and Interactive**”, resource person Dr. Meheraz Haque elucidated various challenges faced during online teaching and possible solutions to it. She also took participants to Creative Commons and Copyright issues while using contents from the internet. She very well helped the participants by providing various techniques which help the Faculty members to give an Human Element to the online class. In the last part of her session she guided the participants on developing their own e-content which can be uploaded on various MHRD projects like SWAYAM, E-PG Pathshala etc.

Dr. Anil Sharma, applauded the efforts of Convener, Dr. Mubina Saifee, Co-Convener, Dr. Rajani Kumar, Faculty Co-ordinators, Prof. Minakshi Shendre and Prof. Sameer Padole and the entire team of GHIMR for the grand success of the program.
