

## Webinar on “Do Your Share for Cleaner Air- Save Earth, Save Life”

11.06. 2021

With an objective of creating awareness amongst the youth, about the importance of preserving nature and environment a Webinar on “Do Your Share for Cleaner Air - Save Earth, Save Life” was conducted by Green Heaven Institute of Management and Research, Nagpur. The guest speaker, Mr. Kailas Girase is a software engineer by profession and a Green Initiatives Promoter and motivational speaker by passion. He is also a poet and “Rising Speaker Star” awardee by NSA-IL America. The speaker emphasised that the stronger our planet's life support systems are, the better human health and wealth will be, so it is important that we all work together to protect the nature that supports us all. Citing several examples from the surrounding, sir showed how green and clean environment helps to boost our energy for a healthy living. Director, Dr. Anil Sharma appreciated the efforts of GHIMR Team for organizing the webinar and declared that the Institute will continue to conduct programs to make our environment green and clean. The program was coordinated by Mr. Robin Ukey, Dr. Rajani Kumar introduced the guest and Dr. Mubina Saifee proposed the vote of thanks.
