

FIRE SAFETY MOCK DRILL IN GHIMR

20th November 2019

To educate and train all the stakeholders viz. Students, faculty members and non teaching staff for an unforeseen emergency situation like fire, NSS unit of Green Heaven Institute of Management and Research, Nagpur has recently organised a Fire Safety Awareness seminar, as well Fire Mock Drill. A demonstration of using fire safety equipments was conducted by Mr.EteshPatil Asst. Manager, Cease Fire Ltd, Nagpur. During the presentation Mr.Patil very well explained different kinds of Fires and techniques which can be used to rescue as well as described what kind of extinguisher to use, according to the type of Fire. The objective of the exercise was to sensitize the staff and students about life saving and to respond swiftly in times of emergency situations. Mock safety drills and safety procedures to be adopted were. Dr. Anil Sharma welcomed the guest and the program was co-ordinated by Mr. Robin Ukey.
